

Business Breakfast

26th October, 8am - 10am

Eight Acres Hotel

What you're going to learn at our business breakfast?

Between the 2 hour drop in session MJD Systems will be educating us on:

Cyber security is always in the news these days but it all sounds too complicated. Cyber Essentials (CE) is a government-backed Security Standard that is aimed principally at Micro-businesses and SMEs and it's to help organisations protect themselves against common Cyber Attacks.

GDPR changes how personal data can be used and it may be that your company will be affected by the new legislation.

The General Data Protection Regulation (GDPR) will take effect from May 25th 2018, are you ready?

Tickets:

£15 + VAT for members

£20 + VAT for Non-members

Tickets for this event are 2-4-1, so bring a colleague for free!
