

Dear Member,

I hope this finds you well.

We recently marked our 20th Annual Business Dinner, and we're already gearing up for next year's 21st celebration! Held at Gordon Castle on Friday 2nd October 2026, we'll welcome our members to an evening of networking, inspiration and memorable moments.

With the marquee already in place and beautifully set up for the Friday dinner, we'd love to see one of our members also make the most of the space. We are pleased to offer the exclusive opportunity to hire the marquee on Saturday 3rd October 2026 for a corporate event of your choosing, whether it be a celebration, staff function, networking or something entirely bespoke. This is a great chance to bring people together in a picturesque location.

If you are interested in booking the marquee for the Saturday evening, or would like further details, please contact Sarah Medcraf, CE, at smedcraf@moraychamber.co.uk or call us on 01343 543344.

I look forward to hearing from you.

Kind regards,

Yours sincerely,

Sarah Medcraf
Chief Executive
Moray Chamber of Commerce
