

Operations Manager Moray (Elgin and Macduff)

Are you ready to join our Bluebird team?

Stagecoach Bluebird runs around 200 buses throughout North East Scotland focussing on Aberdeen City, Aberdeenshire and Moray from 8 depots around the region.

We are looking for an enthusiastic leader who is ready for a new challenge in our Moray depots that have significant opportunities and potential for growth as we build back from the pandemic. There will be plenty of scope for you to take the lead in delivering excellent customer service, high employee engagement and productive relationships with local authorities; whilst focussing on delivering the brilliant basics our customers expect.

We still need you to ensure we deliver a safe, punctual, high-quality product on the road whilst working closely and effectively with the Engineering Team to ensure the overall success of the operation.

You might be an existing Operations Manager ready for a change of location or an Assistant Operations Manager looking to step up. Either way it is important for you to be an excellent communicator and a confident leader of people. You also need a real business focus, to be commercially aware, all supported by strong organisational skills.

You will have immediate responsibility for 50 vehicles and 130 employees, across two sites in Elgin and Macduff. Our Moray team operate a diverse range of services both locally in Elgin as well as the high-profile Service 10 inter-urban coach service that links Aberdeen, Elgin and Inverness; one of the UK's longest local bus services.

A competitive salary, company car and benefits commensurate with previous experience together with relocation expenses, if applicable, is on offer for the post.

The North East of Scotland and Moray is a wonderful place to live and work with everything from sleepy villages to the regional centres of the cities of Inverness and Aberdeen, all surrounded by stunning countryside with the Highlands, Royal Deeside and Cairngorms National Park right on your doorstep.

Please complete your application by visiting the Stagecoach Careers website at www.stagecoachbus.com/careers.

Closing date for applications will be: 29th July 2022.
